REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The instant invention claims a colored building board comprising a dry formed front layer, a dry formed back layer and a dry formed core layer, wherein each layer has a specifically claimed density and composition, and at least front layer contains pigment, antiefflorescence agent and insoluble salts. The instant invention also claims a method to obtain such a colored building board.

The closest prior art references that relate to the claimed invention are Krebs' 148 (Canada), JP'237, JP'781 and JP'141. The closest prior art references are considered as a background art and do not teach or suggest the instant invention as claimed..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to leszek b kiliman whose telephone number is 703-308-2373. The examiner can normally be reached on M-T, 6.30-5.00.
